

Manufacturers, push your creativity !
 Are you looking for **Fashion Designer / Consultant ?**
 In Free - Lance

Ask us, it is a FREE service

- *There are more as 250 members, fashion designers and stylists, who are highly initiated by the desire to introduce themselves and to make you, manufacturers, know their intention as much as the interest for public forces. They decided to constitute one union under the form of professional association.*

Now, what we would like to do is followings

1. To develop the meeting between industries and fashion designers to redefine the deontology of profession for optimization of these cooperation
2. To inform the both sides the practical price of market
3. To inform the form of the best fiscal declaration for fashion designers
4. To inform the industries to let them have the profit of subvention and fiscal help when they employ the designers
